

G1-M3-Topic A

G1-M3-L1: Identify skill gaps before beginning this module. Develop a plan to address them throughout module 3

G1-M3-L2: Before teaching this module, identify word problem types that are especially challenging. Then, continue practice with these in place of some word problems.

G1-M3-L3: Word problem challenges that arise in module 2 would be a wiser choice to use as this lesson's application problem than the one provided.
