

G2-M7-Topic E

G2-M7-L20: If behind in pacing, weave some of these word problems into application problems before and after this topic.

G2-M7-L21: To prepare Ss for the concept development, interject a 2-minute whiteboard exchange fluency in which they are tasked with filling in missing numbers on a number line with units of 1, e.g. 10 __ __ __ 14

G2-M7-L22: Problem 3 of the concept development could be used as an extension if Problems 1 & 2 prove to be challenging for the majority of the class.
