

G2-M8-Topic C

G2-M8-L9-10: If behind in pacing, lessons 9 & 10 could be consolidated.

G2-M8-L11: If the Application Problem seems too complex, consider projecting the problem and the 3 given models. Pose the question – “Which model makes the most sense to you? Discuss with your partner.”

G2-M8-L12: For additional practice, consider this free worksheet -
