

G3-M7-Topic A

G3-M7-L1-3: If behind in pacing, consider hybrid-ing with module 6, so that students spend some time with data and some time with lessons 1-3.

G3-M7-L1-3: If these lessons are taught exclusively, bolster fluency to approximately half of the class period.

G3-M7-L1-3: For this topic, consider the following fluency sequence:

- Times Table Sprint or Pattern Sheet
- Skip counting on the other multiples
- WBE Review fluency on the previous lesson
