

G5-M2-Topic E

G5-M2-L16: This is a big concept to complete in one day. Consider doing *Divide by 10* as a mini-lesson after the Mid Module Assessment and then teach only *Divide by multiples of 10* in one day.

G5-M2-L17: This lesson could be used as an extension for students who have mastered Lesson 16 content.

G5-M2-L18: This lesson could be used as an extension for students who have mastered Lessons 16-17 content.
